Lansing, Mich., Dec. 3, 1910.—The Great Executive Committee of the L. O. T. M. M. closed its week's session here with a monster afternoon and evening "Transfer Day." It was decided to celebrate the Silver Jubilee Anniversary March 24, 1911, in Muskegon, where the first hive was instituted. It was also decided to hold a general installation of all officers of the forty-eight Detroit Hives early in January. This ceremony will be under the personal direction of all Great Hive officers. Financial reports are most gratifying. Reports from all parts of the state show fully 85 per cent of members transferred and that the office of the Great Record Keeper in Port Huron is so overcrowded that many new clerks have been added to the force.

Skating on the creek is all the rage. Lots of baled hay coming into the city these days.

The North Branch Gazette, one of our most valued exchanges, has added a large invoice of new type, including several of the latest and most popular faces, to its already well equipped job department. The Gazette is a live, wideawake, up-to-date newspaper liberally patronized and filled to the brim with all the latest local, county, state and foreign news.

A number of the young friends of Mary Saunby gathered at her home on Kenick street last evening and tendered her a pleasant little surprise. The occasion was her eleventh birthday. The Sanilac County Overseer is the name of the new paper published at Crosswell by Fred Marvin formerly of Sandusky. The tax roll of the city of Yale is now in my hands and taxes may be paid at any time at the clothing store of Lothian & Palmer. R. Bruce Lothian, City Treasurer.

John O'Groat's House.

John O'Groat's house was formerly situated on Dumansly road, the most northerly point of Great Britain. It took its name from John of Groat, or Groot, and his brothers, who came, it is said, from Holland about 1480. The expression so often heard, "From John O'Groat's to Land's End," means the whole length of Great Britain from north to south, like the other expression, "From Dan to Beersheba," meaning the entire length of Palestine.

The Important Question.

"What was the matter with that customer?" asked the proprietor of the swell restaurant.

"When he was through his dinner," explained the waiter excitedly, "he asked for his check, and when I gave it to him he just simply went crazy."

"But did he pay as he went?"—Catholic Standard and Times.

All the Differences.

"I understand that the smart set is snubbing the De Bucks because they have a skeleton in their closet."

"Not at all. The snub is because they didn't keep it there."—Cleveland Leader.

The Doctor's Question

Much Sickness Due to Bowel Disorders.

A doctor's first question when consulted by a patient is, "Are your bowels regular?" He knows that 98 per cent of illness is attended with inactive bowels and torpid liver, and that this condition must be removed gently and thoroughly before health can be restored.

Rexall Orderlies are a positive, pleasant and safe remedy for constipation and bowel disorders in general. We are so certain of their great curative value that we promise to return the purchaser's money in every case when they fail to produce entire satisfaction.

Rexall Orderlies are eaten like candy, they act quietly, and have a soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, gripe, cause nausea, flatulence, excessive looseness, diarrhoea or other annoying effect. They are especially good for children, weak persons or old folks. Two sizes, 25c. and 10c. Sold only at our store—The Rexall store. Grant Holden.
